America's Angels

*The flag is my symbol, of a life
I've always known.*

*I wouldn't trade my colors,
For another countries thrown.*

Every star I count,

Every stripe I see,

Assures me of the fact,

America stands free.

*The cowardly acts of hate,
That took place on our land.*

Will join us as a nation,

With those who took our hand.

It's not just our country,

Who stands by to fight,

But those who share our pain,

And those who join our might.

We're ready to show the world,

And those not by our side.

There's nothing they can do,

To break our bond of pride.

Forgive me lord for saying,

I stand against those few,

Who think they've gotten away,

With what they tried to do.

I honor those who've helped,

And gave their life for me.

For they truly are the angels,

Who've kept AMERICA FREE.....

In Loving Memory

William Andrew Beam *“Andy”*

February 29, 1984 ~Lapeer, MI
to
February 9, 2002 ~Flint, MI

*When I am gone, release me, let me go.
I have so many things to see and do .
You mustn't tie yourself to me with tears,
Be happy that we had so many years.
I gave you my love, you can only guess
How much you gave me in happiness
I thank you for the love you each have shown,
But now it's time I have traveled on alone.
So grieve a while for me, if grieve you must,
Then let your grief be comforted by trust.
It's only for a little while that we must part.
So bless the memories within the heart.
I won't be far away, for life goes on.
So, if you need me, call and I will come.
Though you can't see or touch me, I'll be near.
And if you listen with your heart, you will hear
All of my love around you soft and clear.
And then, when you must come this way alone,
I'll greet you with a smile and a "welcome home."*

8th Grade

New classes, new school, new teachers, and new teams all these things came about for this year's 8th graders. Entering a new school can be scary but this year they handled themselves well. They had a variety of new classes offered such as tech and animal science. They had a great football, basketball, volleyball, wrestling, track, and cheer team. This year's 8th graders will go far in High School and in life!

Speaking & Sanding

A look at the popular electives: Spanish, French and Woodshop.

At Capac High School, there are many choices for electives. Electives are the classes that are not required, so you can choose what ones you want. The three most popular classes are Spanish, French and Woodshop. Here is an above look of them.

Way Above: Jake Meikle shows his disgust with some of the Spanish food at the club luncheon.

Above: Mrs. Walker, hard at work teaching her students how to deal with infinitives and conjugations of verbs.

Right: During their Spanish lunch, The Club de Espanol pose before digging into their delectable Spanish food.

Right: Instead of doing their work, Sarah Bollaert, Crystal Kaltz, Kristen Schwartzkopf, Ashley McMillian, Ashley Koshak, and Alyssa Lubahn sit and talk endlessly about boys...shouldn't it be about French?

Far Left: Krystal Kluger poses for all the cute boys in her woodshop class while sanding down her shelf.

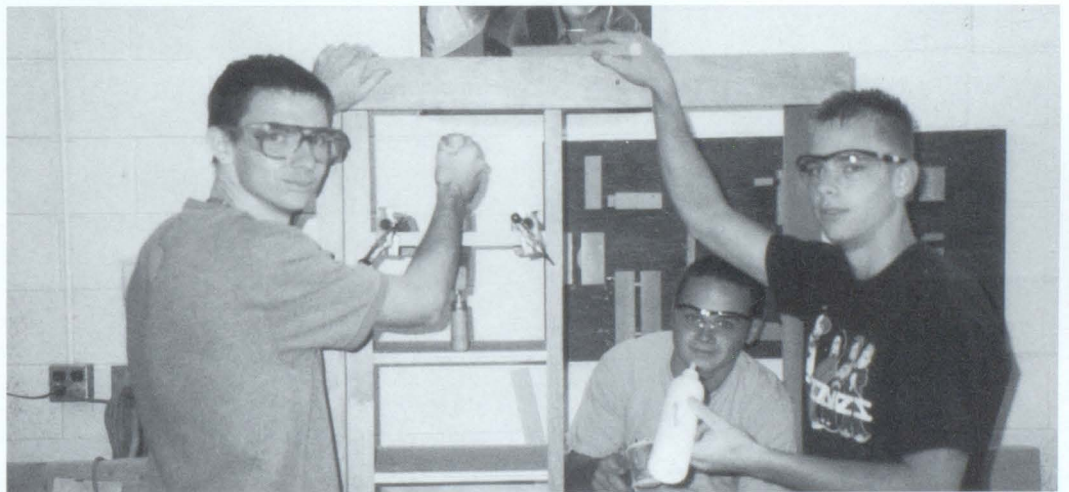

Left: Jeff Gorski tries to clamp a piece of wood-he better watch his hand unless he wants to be called "Mr. Hook".

Below Left: Tim Lewis concentrates on not messing up his streamline cut while visualizing, "I think I can, I think I can..."

Way Below Left: Brandon Smith stares out into space while he should be fixating on sanding his piece of wood.

Below: Dan Ryan, Brandon Richardson and Joey Koltunowicz diligently work on their newest invention, an entertainment center.

This season was a great one for the squad. With 20 girls on the varsity team there was plenty of spirit to go around. Maybe that is why the football team made it all the way to the state semi-finals.

Playing JV is the last stepping stone before the Varsity level. The Capac JV team showed they had a lot of heart, in their first game they only had 10 people on the field and still didn't give up. With this kind of determination these kids will be able to keep up the winning tradition of the Capac Chiefs. The Captains were Steve Johnson, Cliff Patton, Jon Jones, and Nate Boller.

This year our junior and senior girls went above and beyond anything you could imagine. They played a very fierce game of flag football in front of the entire school. They had days of hard practice and days of listening to the coaches yelling at them. The coaches being varsity boy football players, made the game that more intense. They all showed great effort, dedication and love for the game.

Next year as the J.V. make it to Varsity, these girls will show their talents and make that season a great season. Bowling, though not recognized as a high school sport, still sparks attention among students. Several boys and girls tried out this year--enough to fill two varsity teams and one junior varsity team. VARSITY TRACK

Track is one of the few sports that you can call both individual, and also be team orientated. It takes outstanding endurance, confidence, and most of all a hard work ethic. This mixture will help you to succeed in life, whatever the obstacle may be, from a hurdle to a college degree. These athletes have shown astonishing improvements during the season. It is inevitable that they will proceed to amaze us in the future years.

May the good Lord be with you down every road you
roam,
and sunshine & happiness surround you when you're far
from home.

May you grow to be proud, dignified and true,
and do unto others as you'd have done to you.

Be courageous and be brave,
and in my heart you'll always stay...
forever young.

And finally fly away I'll be hoping that I served you well,
for all the wisdom of a lifetime no one can ever tell.

So whatever road you choose, I'm right behind you..... win
or lose.

May you never love in vain,
and in our hearts you will remain.....

Forever young.

Katrina Campau

To Katrina,

Ralph Waldo Emerson wrote:

"To laugh often and love much, to win the respect of intelligent persons and the affection of children, to earn the approbation of honest citizens and endure the betrayal of false friends, to appreciate beauty and find the best in others, to give of one's self, to leave the world a bit better, whether by a healthy child, a garden patch or a redeemed social condition, to have played and laughed with enthusiasm and sung with exultation, to know even one life has breathed easier because you have lived-this is to have succeeded."

You have already achieved success and with God as your guide you will continue to make a difference in many people's lives. May God bless you each day as you journey through life wherever that road may lead you.

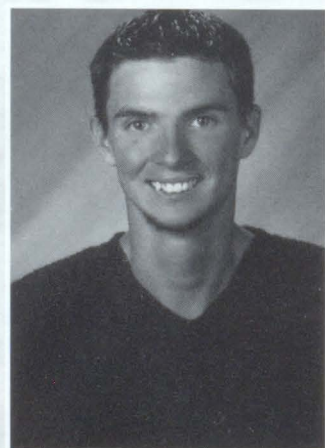

*Our love always,
Mom and Dad*

Dan Ryan

Mom, Dad, Eric and Andrew

Matt Felek

Mathew,

As you complete your high school years, many decisions await you.

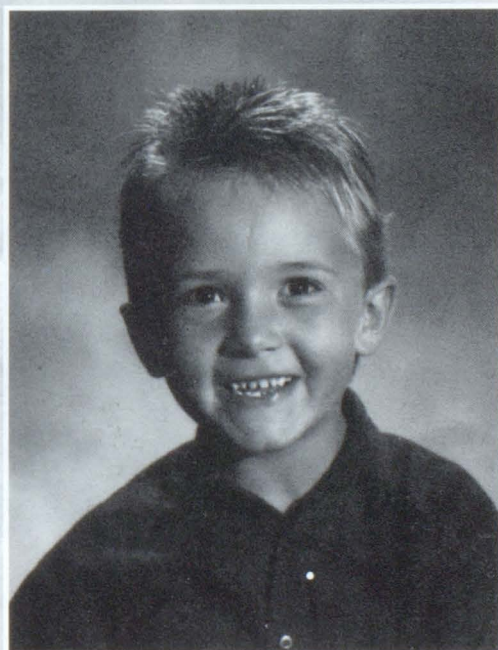

Family members and friends will give you plenty of advice on which path to take but you alone will make the final choice.

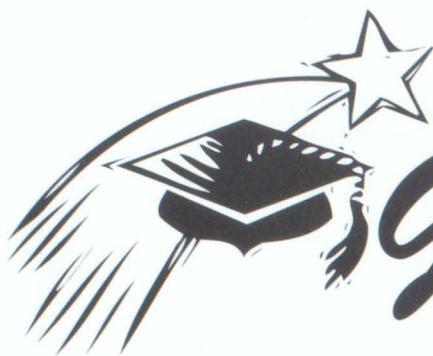

Which ever path you choose, please remember we will always stand behind you.

Congratulations Mathew and God

Bless you.

*We Love you,
Dad, Lori and Family*

The Spear

The Spear is Capac High School's first newspaper since the mid 80's. The recent revival of the school paper was an extension from Mr. Lengememann's popular Journalism Class.

Right: The underclassmen joking around as they get ready to pose for a picture. They are looking forward to another successful year in Newspaper as they chronicle the lives and events of the student body.

Above: Our fearless editor, Lindsey Hlubic, poses with staff writer Sarah Redlawski. They are covering the prom and still having fun.

Right: Junior members of the staff include Jessica Wisenbaugh, Sarah Redlawski, and a frustrated Josh Dodd. Newspaper seems to be too much pressure for him to handle.

Right: Sophomore members of the staff include Amanda Palmateer, Allie Santi, Donny Bluhm, and our Feature Editor, Nichole Gresell.

Far Left: The Senior class members pose for a picture, and are actually smiling because of the fun they have in class. However, it could be that they have only 3 days of school left, but I don't think so. Tom McLaughlan, Jennifer Weiss, Katie Smith, Lindsey Hlubic, Renee Rinke, Nichole James, AndriaLumbardo, Joe Hilgendorf, and Jessica Walker.

Left: Tom McLaughlan our Graphics and Design Technician displays a bit of creativity, and insanity in regards to his hair.

Below Left: They have their heads cut off because this software is not working properly. *Top* - Sarah Redlawski smiles so innocently, but we all know differently. *Bottom* - Katie Smith is our A & E advisor and is rich in fashion sense. **Below:** Jessica Wisenbaugh(Wiz) is excited about the possibility of being the Editor next year.
